# Envision 4.7 Event

Brought together 200 transformative education practitioners, civil servants, academics and civil society representative from 54 countries around the world, to create a collaborative policy Roadmap for the implementation of Target 4.7 in Europe.

The Roadmap features 17 recommendations and considerations, which can be summarised under 6 key chapters:

2.1. Transformative Education for Target 4.7

2.2. Recognition of the value of life-long learning supported through formal, non-formal and informal education

2.3. Cross-sectoral Cooperation

2.4. Indicators for 4.7

2.5. Competencies for 4.7

2.6. Resources for 4.7

# Next steps for Bridge 47

- Analysing the EU advocacy mapping and making further plans
- Having conversations with all relevant stakeholders
- Most international events, such as UNESCO ESD 2030 and EDD's are postponed
- Warmly encourage everyone to have conversations at national and organisational levels on how to incorporate ideas from the roadmap.
- The Bridge 47 Network will continue working on these topics.

# Concept & structure of the mapping

- VDL Commission priorities – how do they fit with Agenda 2030?
- Going beyond the low hanging fruit – how can 4.7 be promoted outside of ‘obvious’ policy areas?
- Prioritising focus: high – medium – low
- Comprehensive approach to advocacy – suggestions for target policy makers in different institutions
